Dear Member,

We are pleased to offer you Beyond the Books's services.

Included in your welcome package is a private membership to Beyond the Books, options, policies and waiver form for Beyond the Books members.

Beyond the Books is a private homeschool program that fosters the enrichment of the whole child. It is through creativity, imagination, social skills, self-interests, and problem solving that discovery is ignited. We strive to develop the whole human being in order to help each child reach their intellectual, emotional, social, creative and inquisitive potential.

Beyond the Books Education is an LLC dedicated to providing private education based upon a broad and balanced curriculum that bridges the gap between homeschool and traditional school. At Beyond the Books, we have faith in educating the child; the whole child. BtB tailors instruction to meet the needs of each individual learner. We have a firm belief that each child learns differently. When children are kinesthetically engaged, their learning is more profound.

The following forms explain this relationship and the rights, benefits and responsibilities associated with membership.

Thank you,
The Beyond the Books Administration
